PAI is TACO's endorsed credit card processing company. By leveraging the buying power of the association member base TACO has negotiated a wholesale credit card processing program through PAI. As a member of TACO, you are accustomed to receiving top quality programs. PAI can reduce your processing expenses by as much as 30%, helping your business keep more of what it earns. Services include not just credit/bank card processing but check services, gift cards, ATMs and much more. For a free line-by-line savings analysis please fax a recent merchant services statement to 866-714-6574.
